AGENDA ITEM # B-1

Presentation of Retirement Plaque
To
Violet Montero

Violet Montero started working for Monroe County on October 1, 1976, and very early in her career earned the reputation that she maintained until her retirement as being the 'friendly voice of Monroe County'. She has been diligent in her desire to help the public and has gone to the extra effort to help the Citizens of Monroe County. Her personnel file is full of complimentary letters from members of the public that she has assisted. They all contain the same theme; Violet went out of her way to help them reach the assistance they needed and she did so in a most caring and pleasant manner. One of Violet's most often mentioned accomplishments over the course of nearly thirty years has been her delight at being able to help people. Violet you will be missed but we wish you only the best for your retirement; you have earned it.
